You are hereby notified that on this date the Indiana Utility Regulatory Commission has caused the following entry to be made:

The Commission also approved initial rates and charges for the utility pursuant to the Joint Stipulation and a Supplemental Joint Stipulation submitted by Petitioner and the Office of Utility Consumer Counselor.

Ordering Paragraph No. 4 of the Order required Petitioner to withdraw from the Commission's jurisdiction or file a petition seeking approval of new rates and charges. Re: Withdrawal of Lakeview Estates of Wabash County, Inc. from IURC Jurisdiction

Dear Mr. DeVoe:

This letter confirms that the Indiana Utility Regulatory Commission ("IURC") is in receipt of the filing of Lakeview Estates of Wabash County, Inc. ("Lakeview"). The filing indicates that on December 6, 2002, notice was provided to the utility's members that a meeting of the membership would be held on January 13, 2003 to discuss and vote on the issue of whether to withdraw from IURC jurisdiction. Additionally, the filing indicates that the membership of Lakeview did in fact meet on January 13, 2003 to vote on the issue of whether to withdraw from IURC jurisdiction and that of the 23 members of Lakeview, 9 appeared and all appearing members voted in favor of the withdrawal.

Based on the foregoing and pursuant to Ind. Code § 8-1-2.7, the utility will be considered withdrawn from the jurisdiction of the IURC as of February 12, 2003. This letter is for purposes of IURC administrative record keeping only, and does not serve as IURC approval or disapproval of Lakeview's removal from IURC jurisdiction. This letter also makes no determination as to the legality of the procedure used for removal from IURC jurisdiction.

If you have further questions or require additional information, please contact me at (317) 232-0158.

Sincerely,

Michael T. Batt
Assistant General Counsel
